

Grant's Gala

March 16, 2017

Dear Potential Sponsor:

Since 2007, Grant's Gala has raised over \$350,000 for The Children's Heart Foundation and their research on congenital heart defects. In support of this worthy cause, we are asking for your sponsorship of this year's dinner and auction on Saturday, August 12th, 2017 at the FedEx Event Center in Shelby Farms Park

The Children's Heart Foundation is dedicated to funding the most promising research to advance the diagnosis, treatment and prevention of congenital heart defects – America's number one birth defect. Nearly one out of every 100 births (40,000 babies each year) will be born with a congenital heart defect More than half of all children born with a congenital heart defect will require at least one invasive surgery during their lifetime. Sadly, 20 percent of these children will not live to celebrate their first birthday.

Grant's Gala was created to honor the memory of our son, Grant Michael Goughnour. Grant was born on August 5, 2002 with an undiagnosed congenital heart defect and passed away suddenly seventeen days later. We feel extremely blessed to have had Grant in our lives for a brief moment, and this event is a wonderful way to both honor his life and support The Children's Heart Foundation.

We respectfully request your involvement as an event sponsor and/or an attendee of Grant's Gala 2017. We believe that funding research is funding life, and that your support is critical to the success of this event and the mission of The Children's Heart Foundation. There are several sponsorship levels offering various participation and recognition benefits. Enclosed is a sponsorship package that explains each opportunity in more detail.

Please note that **sponsorship opportunities are limited** by venue space and will be awarded on a first-come, first-served basis. In order to ensure your sponsorship spot, please return your sponsorship commitment form as soon as possible and no later than July 15th.

If you have any questions or would like more information, please contact us via phone or e-mail. With your support, we can truly make a difference in the battle to treat and prevent congenital heart defects!

Sincerely,

Michael Goughnour and Holly Gomila Goughnour
